

## Dogs On Course in North America, LLC Titling Awards

### Table of Qualifying Rounds required for each Event and the Award or Merit Award recognized by each achievement level

**For More Detailed title information with examples, please view the Appendix A.**

A handler may move up in any event to the next level once they have completed the events requirements. They may also wish to complete the Merit Award for the Level by obtaining all the requirements of the row.

A handler team is not required to move up once they have completed the basic requirement for each event. They may wish to remain at a level in one or more of the different events and collect Qualifying Rounds towards merit requirements.

When viewing the award/titling tables, please note there are both **horizontal** and **vertical** titling/awards.

Awards are a continuation of a collection of Qualifying rounds, for example in Competition Beginner's Jumpers, 3 Qualifying Rounds earns a C-BJA

### Names and Mailing Addresses for Award Certificate Generation

Award certificates are generated automatically using the information listed provided by the DOCNA member in the DOCNA Dog Registration Database. Certificates are mailed to the address listed in the database. The owners name as is listed in the database and the dog's registered name as is listed in the database is what is put on the certificate. There will be a \$5 per certificate reprinting cost to correct misspellings or replace lost certificates due to an incorrect mailing address. Please make every effort to keep your database information up to date.
